Century Fire Protection Expands Service Capabilities

Acquires ASA Fire Protection and Swift Fire Protection

TORONTO, Canada, June 20, 2018 – FirstService Corporation (TSX and NASDAQ: FSV) (“FirstService”) announced today that its subsidiary, Century Fire Protection (“Century”), has recently acquired two Georgia-based fire protection service companies, ASA Fire Protection (“ASA”) and Swift Fire Protection (“Swift”). The leaders of both businesses will continue to run day-to-day operations. Terms of the transactions were not disclosed.

Founded in 2009, ASA is a leading provider of inspection, testing and maintenance services for fire protection systems and extinguishers to industrial and manufacturing clients within the Georgia market. Swift Fire Protection, established in 1969, specializes in fire extinguisher sales and services across Georgia.

“The addition of ASA and Swift further expands our service capabilities, diversifies our customer base and solidifies our market-leading position in Georgia. We are excited to be partnering with the leaders of both ASA and Swift to further accelerate our growth,” said Scott Tutterow, CEO of Century. “These transactions are consistent with our strategy to increase the service offering to our clients across Century’s operations,” he concluded.
