Century Fire Protection Completes Two Acquisitions

Adds Advantage Fire Sprinkler and Chief Fire Systems

TORONTO, Canada, April 16, 2019 – FirstService Corporation (TSX and NASDAQ: FSV) (“FirstService”) announced today that its subsidiary, Century Fire Protection (“Century”), has recently acquired Advantage Fire Sprinkler Company, Inc. (“Advantage Fire”) and Chief Fire Systems, Inc. (“Chief Fire”). The leaders of both businesses have retained minority equity interests and will continue to run day-to-day operations. Terms of the transactions were not disclosed.

Founded in 1992, Advantage Fire is a full-service fire protection firm serving the metro Atlanta and northern Georgia markets. Advantage Fire’s particular strength in commercial sprinkler installation provides Century with increased scale in its home Atlanta market.

Chief Fire, established in 2005 and headquartered in Houston, Texas, specializes in the installation of fire sprinkler systems. With the addition of Chief Fire, Century establishes a presence in the strategically important Houston metropolitan area, the fourth largest in the U.S.

“We are delighted to be adding both businesses and partnering with their strong operators to drive further growth in our fire sprinkler suppression capabilities,” said Scott Tutterow, CEO of Century. “These acquisitions continue to advance Century’s strategy of enhancing scale in existing markets and expanding its presence in key new geographic regions across the southeast U.S.,” he concluded.
